DANCE at FINALS – over the past few years we have held a dance in Prescott. This year I am looking for volunteers to produce this event. If you would be interested in planning, monitoring, & cleaning up this event please let me know.

To help with the close of each rodeo I will be asking 5 local families to stick around through the end of rodeo to help with clean up and take down. This job assignment includes- removing & rolling up arena banners, picking up any trash around grandstands & arena area, locking stalls/ mucking stalls (if needed), etc..... This job is important as many of our facilities are provided free or at a discounted rate & we want to leave them looking great.

Clean Up Families- Girvin, Howell, Jepson, Gould

Any \$\$ due for entries/stalls etc. or forms due need to be turned into Tammy on Saturday. I will be working out of my trailer behind the roping boxes.
